

# Scottish Heritage Youth & Young Adult Survey

Many groups are reporting that young people are no longer joining societies and membership organizations. We want to find out what makes young people interested in their Scottish Heritage and how we can make Scottish Heritage events and organizations more engaging and fun for young people.

If you have a few moments please consider filling out this survey to assist COSCA in this goal.

The Council of Scottish Clans and Associations is a registered 501c3 charity; founded in 1976 to support Scottish Clan organizations and to preserve Scottish heritage. The Council welcomes all organizations and individuals to join us in our work to strengthen and energize the efforts of all Scottish Heritage Societies.
